

LKG Minutes May 5, 2010

Present: Charlotte Bond (Pres.), Jill Gentilin (Sec.) Louise Severance (Vice Pres.), Rev. Emily Carrington Heath, Mindy Childs, Leni Brown, Sandy Barber, and Joan Judd

Opening: Charlotte opened the meeting with a reading from "Tending Life's Garden." And "A Church Garden". We did a check in with each other. The minutes were approved. Jill reported for Elinor that we have \$2088.37 in the treasury

May Sale: Mindy has placed advertisements about the sale in the Deerfield Valley News. She asked for help on May 27 and 28 to put up some tents, blow up balloons and take in items for the sale. The other dates for drop off are May 9, 16, and 23 from 10 until noon, and May 13, 20, and 27 from 4-6 PM. Our tent is no longer usable and members were asked to look into the cost of buying a new one. A suggestion was made to buy a couple of thermos pots that could be used for the sale, at the Welcome Center, and on Sunday mornings.

Andy Childs Bluegrass Band may be able to play during the sale.

Mindy also wants to have a 50/50 raffle.

Elinor has offered to make soup depending on the weather. Soup sells well on colder days but not so well in warmer weather.

Baked goods are needed for this sale.

Phone list: We briefly discussed updating the phone list.

Nell Domina: Jill will contact Nell to arrange a date for us to visit her.

July Luncheon: We need to decide when and where we will do this. Charlotte, Louise, and Leni are all eligible this year for a free lunch.

Bell Choir: Laurie Newton has asked for money to buy music for the five children who participate in the Bell Choir. We decided to give her \$60. The money collected in the coin collection during the Christmas holidays will offset this cost.

They are looking into playing some patriotic songs after the Bicentennial presentation in October.

Spring Meeting: LKG will buy a ham and the members of the congregation will be asked to provide side dishes and dessert.

Emily closed the meeting with a prayer.

Respectfully submitted
