

## Trustees Minutes October 4, 2010

**Present:** Rev. Emily Heath-Carrington, Elinor Havness, Sindy Fillion, and Jill Gentilin (Secretary)

**Opening:** Emily opened the meeting with prayer. The minutes were published over the internet and the members did not ask for any changes.

**Old Business:** Fall Congregational meeting will be held on October 31. This will be Stewardship Sunday. It will be a brown bag lunch with coffee, juice, and desserts provided. Emily will publish the date in her newsletter and the Trustees will announce it in church. It will be a Blue Jean Sunday and the main focus will be work on the garden. Members are asked to bring shovels, gloves, garden shears. We thought that next spring we will make the back garden a community garden. We can plant vegetables and invite the public to use them.

Fund raising is just about ready to go. The non-member letters are ready. Jill will check with Randy and Herb to see where they are with the member letters. The donation box put out for the Bicentennial had \$19. That's a start.

Emily said the sign for the front of the church will be installed next week.

The telephone in the library is not working and Emily volunteered to call the phone company.

The meeting was closed with prayer.

Respectfully submitted,

Jill Gentilin
